

## Grading Policy

Grades should represent both the understanding of required concepts, and the ability to demonstrate competence in required skills. Grades represent both absolute and relative measures of student achievement in OM 530.

There are 8 components of the grade for this class. The distribution of the points for these components is as follows:

## Evaluation

Attendance	5%
Class Participation	5%
Case study presentations	10%
Mini Research Assignment 1	5%
Mini Research Assignment 2	5%
Final simulation report	15%
Midterm Exam	25%
Final Exam	30%

<b>TOTAL</b>	<b>100%</b>

For the mid-term and final exams, make-ups will be arranged for students missing the exam ONLY for an excused reason. Please send your instructor an e-mail before exam so that the make-up can be arranged.

The questions in the exam will be related to the topics covered in the class lectures. The student should expect multiple-choice problems, true and false statements, essay questions or questions that require calculation.
